Great. 10:30 is the only time we're all free but I think 30 minutes will be enough time. We'll plan to call you then.

Yes, that would be fine. Will ½ hour be enough, or would you like to start at 10 your time?

Would 10:30 am PDT/1:30 EDT work okay? Ann and I have another call at 11.

And yes, sorry for the delay, I'm putting together the WPX applications right now and will email you shortly.

Tomorrow would be fine. How about at 11 a.m. PDT/2 p.m. EDT?

Also, were you going to get back to me on the WPX Energy applications?

Jill

Hi Jill, are you available sometime tomorrow (Thursday) for a quick chat about options related to re-noticing the FCPP/NGS title V permits? Ann is out Friday and we wanted to try and get back to you this week.

Thanks,
Noah
